

Partie4: Les matériaux des objets techniques

Décharge contrôlée

Valorisation des déchets

Recyclage

The image displays three categories of technical object recycling. The 'Décharge contrôlée' (Controlled Disposal) section includes a car battery, a yellow oil drain pan, and an oil filter. The 'Valorisation des déchets' (Waste Valorization) section includes a car seat and two tires. The 'Recyclage' (Recycling) section includes a car, an engine, a car body, and a transmission.
